

Dear festival guest, all proceeds will be used entirely for the support of the church. We owe this festival's success to your generous contributions, for which we greatly thank you. We hope you will join us again at the following festival this fall 2017!

Dragi invitati, aceasta sunt de fapt donatii pentru ajutorarea bisericii noastre, Sfantul Apostol Andrei, si toti banii vor fi folositi in acest scop. Reusita acestui festival se datoreaza sustinerii dumneavoastra pentru care va multumim foarte mult. Va asteptam cu drag la festivalul urmat in toamna 2017.

ROMANIA FLOAREA MEA - ROMANIA MY FLOWER

We would like to invite you to participate with our flower garden in the shape of Romania (90"X65") in our church yard St. Andrew in Potomac MD.

You can be a part of our beautiful project by donating \$100 that will go towards our flowers. For more information about donations please contact us.

ABOUT BUILDING ST. ANDREW

The architectural plans of the future St Andrew Romanian Orthodox Church on the 3 acre property will imitate the style of the unique Church at the Moldovita Monastery.

The project was initiated in 2006 by a team of engineers and architects and has been reviewed and approved by the Episcopal Commission for Religious Art. Between 2009-2014 a Special Committee that dealt with all the building plans: architectural plans, resistance, mechanical (heat and water), electrical as well as site plan was established.

St Andrew Romanian Orthodox Church is projected to be about 4500 sq ft (3,200 sq ft of the church's nave, 600 sq ft the Holy Altar and 700 sq ft the vestibule, pronaos). The basement area will be about 2,800 sq ft. The Church will be 40 feet wide, 112 feet long and 64 feet tall. The building will comprise of an open porch, a lobby elevator access and stairs that lead up to the mezzanine for the choir. The church itself will consist of the nave with two aisles and an altar. In addition to the church's offices, toilets, storage space and all utility units will be located in the basement.

In addition to the building itself, the site plan will include green spaces, access roads and parking spaces. The plan will be finalized once we receive the approval from the Department of Permitting Services (DPS) of Montgomery County.
